Creating an Atmosphere of Intimacy with God Through Song...

For over two decades, we've had the amazing privilege of serving Jesus Christ with our music ministry. Our central purpose is not to perform, but to be used to draw people closer to God. Through popular contemporary Christian and worship music, our goal is to "Create an Atmosphere of Intimacy with God Through Song..." †

*Not to us, O LORD, not to us,
but to Your name goes all the glory
for Your unfailing love & faithfulness.*

~ Psalm 115:1 ~ New Living Translation ~

Worship is at the heart of what we do and who we are, because all of life is an unending reflection of worship to our Savior and King. Our worship music is simply an extension of that. We truly love to sing praises to God and to lead others to do the same. We have had the honor of leading worship at many different churches and events and can come along side your team to help develop a contemporary service and worshipful experience.

To God be the Glory in our Worship to Him!!
